COCKTAIL MENU

FOOD THAT MAKES YOU FEEL SOMETHING

We believe great food should be memorable for all the right reasons.

Our style is fresh, modern and produce-led. We start with quality ingredients, source locally and seasonally wherever we can, then let flavour do the talking. Nothing overworked. Nothing added simply for show. Just thoughtful combinations of flavour, texture and colour, finished with the detail and presentation Ultimo is known for.

Our menus draw inspiration from a world of cuisines rather than being defined by just one. Classic techniques meet modern influences, familiar flavours are given a fresh perspective, and every menu is designed with the occasion - and the people around the table- in mind.

Whether we're serving an intimate dinner or thousands of guests, our focus doesn't change: quality food, executed properly and served with care.

For over three decades, that philosophy has shaped the way we cook. Trends change. Our menus evolve. But good ingredients, genuine hospitality and food people want to talk about never go out of style.

THE PEOPLE BEHIND THE PLATE

Global experience, local passion

Led by Executive Chef Max Ling, our senior chef team brings experience from Michelin-starred restaurants, luxury international hotels, award-winning restaurants and major event kitchens around the world.

From Hong Kong and Singapore to Malaysia, India, Dubai, Sydney and Perth, those influences give our food its breadth - and keep our menus evolving.

From classical French technique and South-East Asian flavours to Japanese cuisine and contemporary Australian cooking, our chefs combine technical skill, cultural influence and a genuine curiosity about food. When service begins, they work as one - with the experience and discipline to deliver the same exceptional standard for 20 guests or 2,000.

Different influences. Different stories. One shared standard: make it exceptional.
